ANNUAL REPORT 2021

A MESSAGE FROM OUR CEO

We are excited to close out our inaugural year of operations here at Kingdom Youth Network.

This organization was founded in March 2021 by my wife (Charity Morgan) and I to provide mentoring based on Christian principles for underserved students located in Philadelphia and Delaware counties.

Despite challenges due to the COVID-19 pandemic, we attained an outpouring of support from our community as we navigated our way through the year.

Enclosed are the results from the efforts of our staff, Board of Directors, volunteers and general public.

We are excited for what God is going to do through this organization next year and beyond.

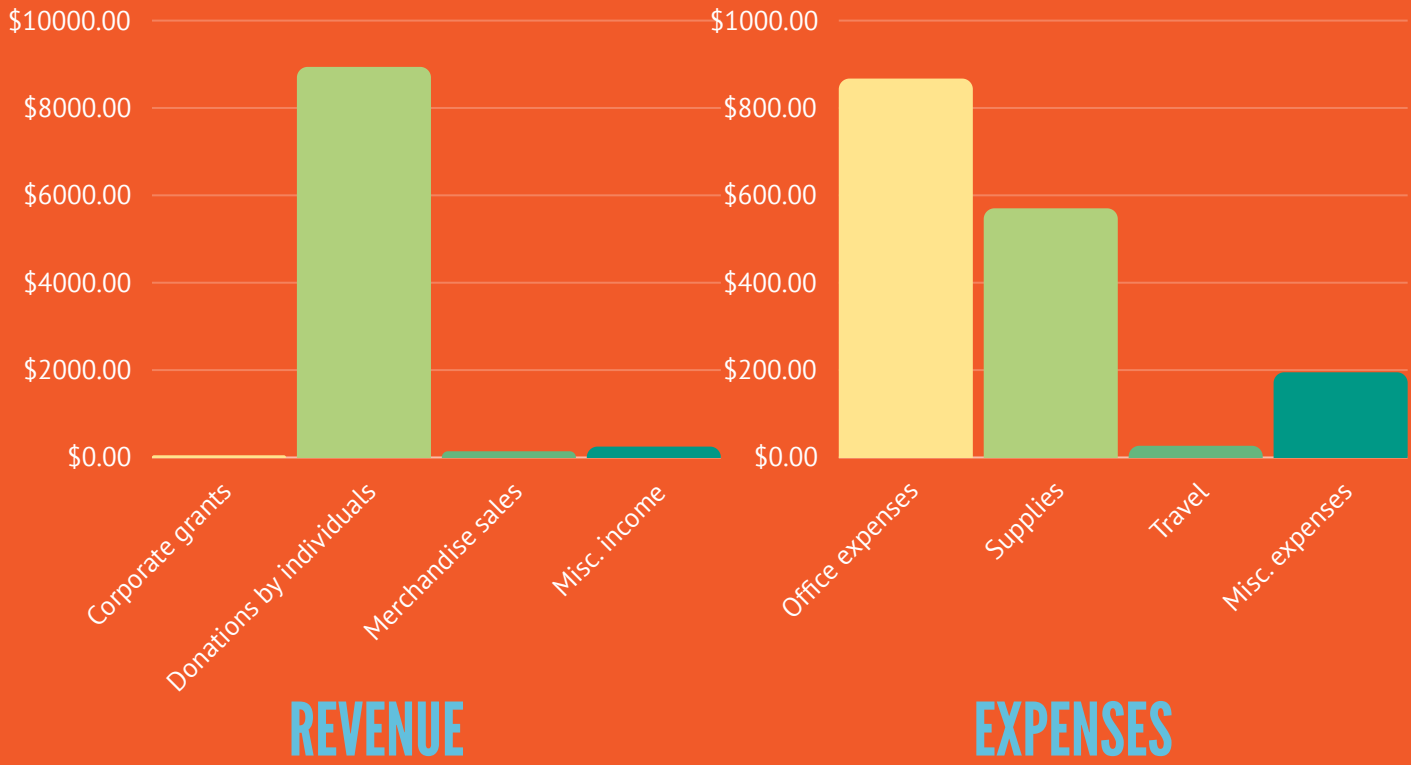

We look forward to serving our community and thank you all for your support!
